

Thanks to Kevin (1st time planner – well done!), John (Helpful Controller), NGOC (loan of Cranham Woods and maps thereof, and also for loan of String), Allan of Emit (efficient service), Mr and Mrs Whittaker of Overtown Farm for use of their field, and for the guidance of the Commoner's Association re running on Cranham Common. Also thanks to all the helpers and everyone who came and took part.

No thanks to the company who didn't provide the loos. They have apologised profusely, and acknowledged that we (as customer) didn't do anything wrong, but that is no consolation to people who rightly expected that facility to be provided, especially in such an open area!

Nina Stimson (Organiser)
